A **\$100.00 deposit** is **required** per carcass or \$1.00/lb for boneless trim.

Figuring cost for a product: Multiply the boneless trim by the Multiplier.
This determines precooked product weight. Multiply that weight by Price/lb.

Figuring finished weight: Multiply precooked weight by % Shrink. Subtract that amount from the precooked weight.

*All shrink percentages are estimates and may vary from batch to batch.
